

### REMARKS

This preliminary amendment inserts a claim of priority and makes amendments to the claims which mirror that which was done during the international phase. A copy of the Article 34 Amendment entered via the IPEA/ KR on May 12, 2004 is attached for the convenience of the Examiner. It is respectfully submitted that no new matter has been entered and that the present application is in all respects complete and in condition for favorable consideration. It is also requested that the Examiner confirm that the amendments made during the international phase are part of application transmitted to the USPTO via the international bureau. The specification was amended on pages 1,6,7,8,13,14 and 40.

If the Examiner has any questions regarding the claim amendments presented herein, it is requested that the Examiner contact the undersigned at the telephone number shown below.

An early and favorable action on the merits is earnestly solicited.

Respectfully submitted,
